Editor Welsh of the Mt. Hope Mentor, of Sedgewick county was a caller at the Times office Wednesday afternoon.

We have received Lippincott's Magazine for August. It is up to the usual standard of this popular magazine.

Our esteemed correspondent at Montezuma failed to get his letter to the Times office this week. Better luck next week.

The balance of our summer stock of Lawns and White Goods, at 25 per cent, less than original cost to clear them out, at the Bee Hive.

Probate Judge Moffitt has removed his office to the court house again, where those having business with him will find him hereafter.

The newspaper reporters attending the convention said that Dodge gave unusual facilities to members of the craft, in the convention hall.

Editor Hart of the Ravenna Chieftain, was a visitor at the Times office this week. He was one of the contesting delegates from Garfield county.

Just received at the Bee Hive the first shipment of Mens' and Boys' Clothing. Call and see them whether you wish to purchase now or later on.

A very pleasant surprise party has given Miss Mamie Sughrue Thursday evening, at the residence in the eastern part of the city. A large number of young people attended.

Mrs. A. C. Burnham, of Denver, daughter of H. Wing, of this city, is very sick with typhoid fever. Her mother has gone to Denver to be with her during her illness.

The W. R. C. know how to entertain their guests, and their catering house on Front street was patronized to the full, except during the convention. They return their thanks to all who helped to make their efforts successful.

Mr. E. R. Berry of Wilburn, an old subscriber of the Times, paid us a visit yesterday. He is removing to Harker county. We are sorry to lose Mr. Berry as he is one of our best citizens, and hope that circumstances may bring him back to us soon.

When you need a mild laxative you should have a medicine that will act on the liver and kidneys as well as the bowels. Beggs' Vegetable Liver Pills are prepared expressly for this purpose. Insist on getting them as they have no superior and few equals. The Palace Drug Co., Druggists.

We received a communication through the post office, Thursday, giving an account of an alleged assault on Mr. R. B. Chritton, of Hodgeman county. There was no name attached, and we do not publish communications from correspondents without we know who the writer is. Always sign your name to anything you want published.

If you or your family should happen to be frightfully burned or scalded, what have you in the house to alleviate the pain until you can get a physician? A box of Beggs' German Salve at hand in times like this would save a world of suffering and outenue a doctor bill, as it has no equal in cases of this kind, as well as inflammation of all kinds. The Palace Drug Co., Druggists.

"A thing of beauty is a joy forever," and that is what our City Hall and grounds are getting to be. The growth of the young trees and the grass, that was sown so late in the spring, is marvelous and shows what care and plenty of water will do on the soil of the Arkansas valley. It was noted and commented on by the host of visitors from all parts of Kansas, who have been in our city during the present week. They were surprised at the progress made in so short a time. Notwithstanding the extremely hot and dry weather of the last few weeks all the trees and lawns in the city that have received proper care are in a flourishing condition.

A continual coughing is very annoying to persons sitting near you in any kind of a gathering; besides it is of great damage to the throat and lungs, and is exceedingly dangerous at this season of the year. One-half bottle of Beggs' Cherry Cough Syrup will relieve any ordinary cough, and this remedy costs no more than the inferior grades that are thrown on the market to sell at enormous profits. The Palace Drug Co., Druggists.

Vacation in New Mexico. The approach of warm weather makes you think about a summer vacation. Where shall I go? That is the query.

You cannot select for the summer outing a prettier spot than Las Vegas Hot Springs, New Mexico, where the magnificent Montezuma hotel is located.

Las Vegas Hot Springs is just high enough above sea level; the right distance west and south; situated in a region of pure air and sunshine.

A round trip excursion ticket to this delightful mid-continent resort can be bought via Santa Fe Route any day in the year. Ninety days limit, with stop-over privileges. For a small additional sum a ticket may be purchased permitting side trip to Pueblo, Colorado Springs and Denver.

The Republican Congressional Convention.

The republican congressional convention of this district was called to order July 30th, at ten o'clock A. M. Jas. Kelley of Pratt was chosen temporary chairman, and W. P. Walker of Sumner, temporary secretary.

On motion, the different committees were appointed by the chair, each committee to consist of nine members, one from each of the senatorial districts, except the seventh, which has two, and one delegate at large.

After the committees were announced the convention adjourned to meet at two o'clock P. M. At two o'clock the convention was called to order, but the committee on credentials reported that they would not be able to report before four o'clock, so after the songs by Mr. Rodgers "The Sword of Bunker Hill" and "Phil Sheridan" the convention took a recess until four o'clock.

There were contesting delegations from Finney, Gray, and Garfield counties.

The convention was called to order at four o'clock P. M. but the committee on credentials were not ready to report and the time was spent in listening to songs by the Coyotes of Larned and Col. Rodgers of Wichita. The colonel has a splendid voice and it is well trained. It has been many years since we enjoyed a musical treat equal to his rendering of the song, "Tapa, What Would You Take For Me?"

It was not until 5:45 P. M. that the committee were ready to report. The reports of all the committees were adopted as read. The permanent organization was effected with H. B. Kelley of McPherson as chairman, W. W. Carney of Barton county, secretary, and E. E. Smith of Ford, assistant secretary. The platform was very full, covering every issue before the people, and comes very near being a Democratic Alliance platform, but they made the utterances of the platform ridiculous when they endorsed everything that the republicans have done and are attempting to do—from the mighty Reed down to the puny Ben—including the intercedate lights, Humphrey, Ingalls, Blaine etc. etc. The tariff, elections, original packages, and nauseam. The organization being completed, the convention adjourned to 8 o'clock P. M.

At 8 o'clock P. M. the convention was called to order.

The Larned Coyotes sang a song after which nominations were in order, and eleven names were placed before the convention. Each one of them [to judge by what the gentlemen who placed their names before the convention] are too good for this wicked world, and should have been translated and made angels of years ago. They were Lewis, C. J. Jones, J. M. Johnson, C. A. Swenson, Billy Edwards, J. W. Jones, J. R. Halliwell, Judge Botkin and T. A. Hubbard. On the first ballot, Halliwell received 35 votes, Lewis 25, Edwards 21, Hubbard 23, Botkin 14, J. W. Jones 19, the rest scattering. The balloting was kept up until nearly midnight with varying fortunes, when after the 21st ballot an adjournment was had until 8:30 A. M. of July 31st. The 21st ballot was Edwards 17, Botkin 9, C. J. Jones 6, Halliwell 55, Hubbard 12, Lewis 45, Johnson 5, J. W. Jones 12.

Convention called to order at 9 o'clock A. M. July 31st. The roll was called for the twenty-second ballot, which announced Halliwell 103 votes, cast, he being a majority of all the votes cast, he was declared the nominee of the convention. On motion the nomination was made unanimous.

The Epworth Lecture Course.

One of the popular features of "The Dodge School of Theology" is its Epworth Lecture Course, which gives to the citizens of Dodge City some six or eight lectures in May and also in September. President George is now arranging the sixth semi-annual course and hopes to announce the following as the PROGRAM FOR SEPTEMBER 1890.

16th. D. R. Latham, A. M., "Some Mistakes of Modern Society."

17th. W. H. Gannaway, B. D., "Select Readings."

18th. R. T. Savin, D. D., "Savannah."

19th. W. A. Yingling, M. D., D. D., "The Moral Capital."

20th. C. R. Thoburn, A. M., "India and the Indians."

21st. W. J. Tull, A. M., "Modernity and Secularism."

22nd. W. J. Martindale, A. M., "The Fruits of Christianity."

Sunday 21st, the pulpit of the M. E. church will be occupied by some distinguished visitor to the school. The school will bring together from September 16 until the 26th, about fifty ministers—faculty, lecturers, students and official visitors, who will be the guests of the members of the M. E. church, of the congregation and their friends. Any family who will be pleased to entertain a member or two during the term, will kindly hand their names to Rev. W. H. Rose, A. M. Each family entertaining will receive a complimentary family ticket to the course of lectures.

The daily school programme contains some able papers, which we have no doubt, will interest a large number of our citizens.

One thing we like about this school is its name—"The Dodge School of Theology." Wherever its catalogue or press notices go, it is an advertisement for Dodge City. Its charter locates it here, and here it will remain, notwithstanding the efforts of towns both east and west to secure its removal. Some thirty students are enrolled for 1890.

At about 7 o'clock P. M. of July 30th, the fire alarm sounded and smoke was seen issuing from the roof of Beeson's building in the magnificent Front street block. It took some time to locate the fire, and considerable damage was done by water before the fire was located. There is a wooden sewer running under Front street with outlet near the railroad and the drain pipe from the roof of the building, connects with the sewer. Some trash is supposed to have accumulated in the mouth of the drain, and been set fire to by a passing car or otherwise. The draught carried the smoke up through the building. At the time of discovery, the pipes in the building were hot enough to take the skin off the hands of any one touching them. It was a narrow escape from a destructive conflagration.

BLOOD POISON CURED.

I was troubled for years with a Blood Poison in its very worst form. I was treated by the very best physicians of Louisville, Ky., and Evansville, Ind., but they failed to benefit me in any way. A few bottles of Swift's Specific (S. S. S.) cured me sound and well. This was over four years ago, and there has been no return of the disease since, or any symptoms of it. I have recommended it to others for blood poison, and in every case they were permanently cured.

The Gates A. R.

Colorado Springs is situated near Ute Pass, and is the gateway for Manitou, Cascade, Green Mountain Falls and Pike's Peak. At Pueblo there is another break in the range, the Grand Canon of the Arkansas. Just west of Denver is Clear Creek Canon, with its pretty town of Idaho Springs and Georgetown. There are also many charming camping places near Trinidad.

Santa Fe is the only Company owning its own lines from Chicago and Kansas City to these four gateway cities—Trinidad, Pueblo, Colorado Springs and Denver. Through vestibule dining cars, vestibule Pullman sleepers, vestibule reclining chair cars, and faster time. Summer tourist tickets now on sale via Santa Fe Route; the gates are open for you.

TESTIMONIAL TO FRANCE.

The Plan introduced by the Society of the Sons of the American Revolution.

The Detroit (Mich.) Journal some time ago suggested the presentation of a testimonial to the French Republic in acknowledgment of the services rendered by Lafayette and other French soldiers and statesmen when the colonies were sorely in need of help in their struggle against British tyranny and invasion. The suggestion was favorably received and the Journal began to solicit \$1 subscriptions from the patriotic citizens of this country to carry out its plan. Responses were received from President Harrison, the Governors of several States and eminent editors who have since agreed to present the testimonial.

A tribute of the kind suggested by the Detroit Journal is especially grateful and appropriate at the present time. The aspirations and ambitions which Lafayette felt and experienced for his own country, as well as this, have since been realized over there as well as here.

The success which he helped win on this continent led to the revolution in France. Through storm and terror, through many many vicissitudes and tumbles; after constant changes in the form of government, from republic to empire; empire to monarchy; monarchy to republic; and back again, through the record of empire and revolution, another republic has risen in France, soldier, farmer, juster and more peaceful than any that ever got foot-hold there before.

This newest-born of the French republic has been many times longer than its elder sister, it has never been so strong, so firmly established, as it is today. A tribute from the Republic of the United States to the Republic of France would have a fraternal significance and an added honor of cordial and harmonious sympathy between the two never possible before. The unity of spirit and the symmetry of institutions will bestow upon the gift something more than the mere formality of empty compliment.

The list of contributors and co-operators in the project includes many a name of those in high honor at the present day, as well as of those whose sires were held in high honor during and after the great struggle that with the aid of France secured the independence of the Nation.

The work is in the hands of a large committee, representing every section of the country and each political party. Money and suggestions for the best form of a testimonial should be sent to the chairman of the committee, Dr. William Seward Webb, of New York City, or to W. H. Brearley, of the Detroit Journal.

His Son Cured.

Mr. W. H. Himm, a prominent and influential citizen of Mount Vernon, Ill., writes as follows, under the date of March 11, 1890: "One bottle of Swift's Specific (S. S. S.) cured my son permanently of a stubborn case of Blood Poison that defied the best medical treatment available. I have recommended S. S. S. to others for blood troubles and diseases of the skin, and have never known it to fail to cure in any case."
